

World War 2 in Mobberley

The Parish Council Minute books include so little references that one would not think the war happened at all. Meetings continued on a regular basis. At the start of the war the councillors were Riddick, Campbell, Clarkson, Eden, Ellis, Finigan, Goostrey, Mrs Horton, Norbury, Tongue, Brocklehurst and clerk W. Jackson.

1939: Where should litter baskets be placed; new footpath on Tipping Brow side of Post Office (Mill Lane) had reduced height to top of parapet by 9 inches increasing risk of children falling over into the brook; dangerous condition (smooth surface) of steep slope up to Victory Hall and Tipping Brow down to Mill Lane; magnificent work done by the volunteer fire wardens under the leadership of Mr Longridge and Mr Southern.

1940: Councillor Eden to see Mr Holt about the condition of the footpath between Antrobus Hall and Alderley Road, Mr Hall about the path between Town Lane and Vale Wood and Councillor Wright on the path near Briar Bridge. S Clarkson and H Goostrey appointed Council Managers for the Infant School for next three years and Councillor Tongue for the Church School. Cheshire Aircraft Victory Fund not received with enthusiasm. Asking permission from the Military to hold next meeting in the Billiards Room at the Victory Hall.

1941: Councillor Hard resigned as he now has important war work.

1942: Chasing County Surveyor to get the bomb crater near the footpath between Church and Hall Farm filled in. Later suggested it might be used as a tip. Govt scheme to supply meat pies to rural workers who don't have access to lunch facilities. WI to organise. Agreed to provide a fire at the Victory Hall for librarians on Thursday nights during winter. Discussions about where to locate bus stops.

1943: Bus company asked to help infants to cross the road when dropped off. Complaint about the emptying of sanitary pails in Pavement Lane.

1944: Parish Council asked how many houses they want post-war for agricultural and other rural workers. Complaint about Pavement Lane ditch. Parish Council try to get Dr Gattie (Medical Officer of Health for Bucklow Rural District Council) exempted from war service (failed). Concern about condition of Church School Lavatories – pails replaced.

1945: people causing a nuisance on the grass verge adjoining bypass and Town Lane Hall orchard,
